

rAve's Barcelona/ISE 2023 Packing List

Before Departure:

- Call your phone provider for international phone info
- Call your bank to let them know you're traveling (recommendation: do this for your standard card and a backup)
- If you would like to get euros before, some banks have foreign currency and can exchange for you ahead of time. ATMs are easily accessible around the city if necessary.
- Check all hot tools, chargers, anything you plug in to make sure it is compatible with the voltage in Spain (220v) AND buy plug adapters if needed

Carry-On / Backpack:

- Wallet (card & back up card)
- Passport
- Vaccination Records
- Masks
- Euros (if you already have them)
- Water bottle (do not bring water in it) can fill up after security
- Sealed snacks and gum
- Neck pillow, sleep/eye mask and blanket
- Airplane entertainment items (books, games, notebook, etc)
- Small bag to carry for sightseeing
- Work Supplies
 - Headphones with a chord (for watching movies on airplane screen) & charger
 - Phone & charger + portable battery pack
 - Computer & charger + mouse if you prefer one
 - Watch + charger if needed
 - Adapters and voltage converters if needed
